

RANKING SETTINGS

Managing a Ranking

To manage the Ranking, click on the tab “Rankings” and then “Seasons”. Once in the season list click on the arrow next to the season you wish to manage.

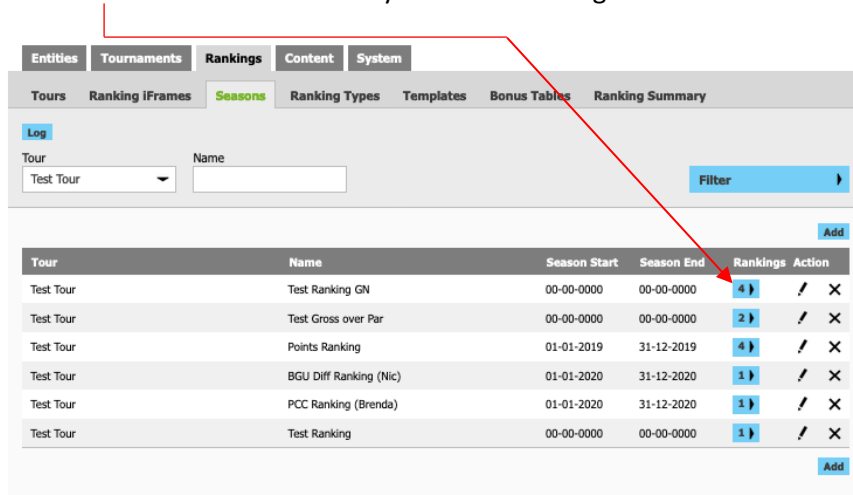

Figure 1

The following page will open, showing the various Rankings within the Season.

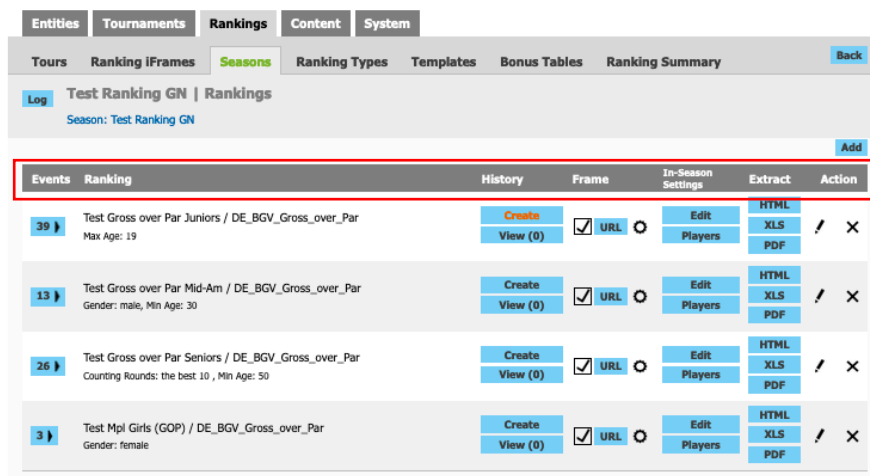

Figure 2

There are various options on this page that can be used to manage your Ranking.

- 1. Events:** This shows the amount of tournaments that have been added to the ranking. By clicking on the arrow button next to the number, you will be able to manage the tournaments in your ranking.
- 2. Ranking:** This shows the name of the ranking.

3. **History:** A snap shot of the ranking at any given time can be created.
4. **Frame:** This allows you to view a URL, as well as adjust certain settings for the iFrame.
5. **In-Season Settings:** This allows you to manage settings for your season.
6. **Extract:** This allows you to extract the ranking to a different format.
7. **Action:** This is where the 'Edit' & 'Delete' buttons are.

Changing the In-Season SETTINGS in a Ranking

Certain settings can be changed to suit the format of your ranking. There are two options under “In-Season Settings” that allow you to adjust certain parameters for your ranking, “Edit” and “Players”.

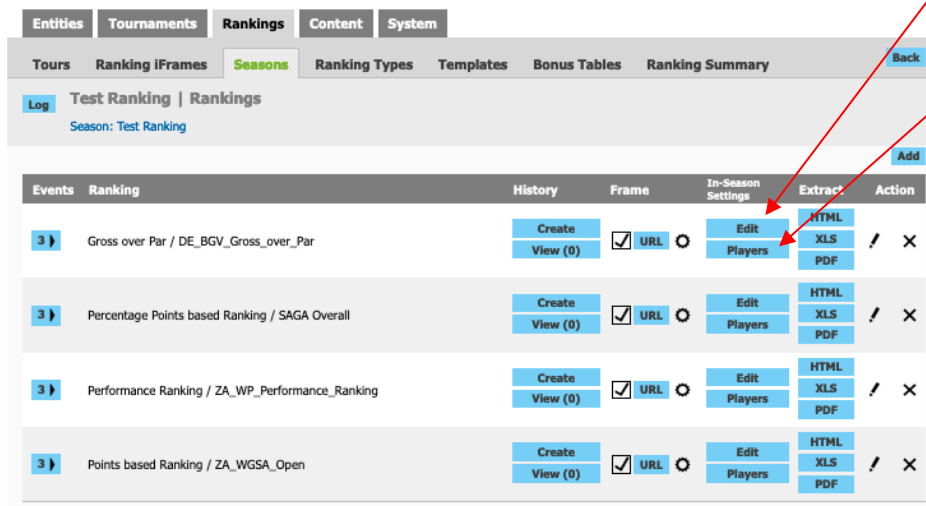

Figure 3

The ‘Edit’ Setting allows you to adjust certain parameters for your ranking. Depending on the type of Ranking the settings will vary.

Performance Rankings have options as seen below:

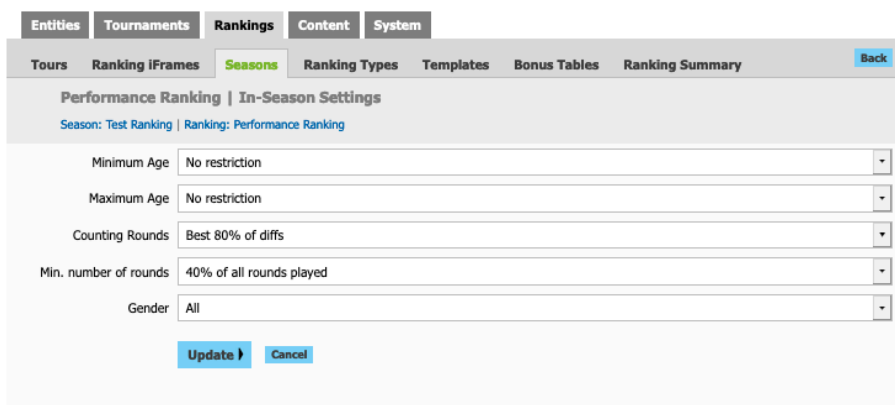

Figure 4

Here parameters can be set pertaining to a Minimum & Maximum age, Percentage of counting rounds, Percentage of Minimum number of rounds played and Gender.

Points based Rankings have options as seen below:

Figure 5

Here parameters can be set pertaining to Minimum and Maximum age, gender, Coastal & Inland events as well as a Sliding Divisor for managing the number of events to be counted. It is worth spending a bit of time exploring the various options and what each one does, or consult with the Tournament Administrator to see if there are settings to suit your requirements.

SETTINGS FOR RANKING IFRAMES

Adjusting IFrame SETTINGS for Rankings

To adjust the settings for your iFrame you need to click on the settings button next to URL

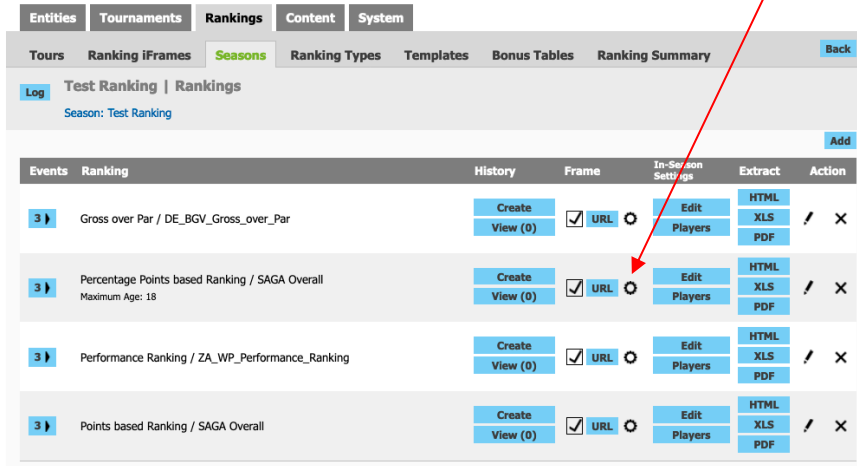

Figure 6

The following web page will open giving a number of different variables for the iFrame.

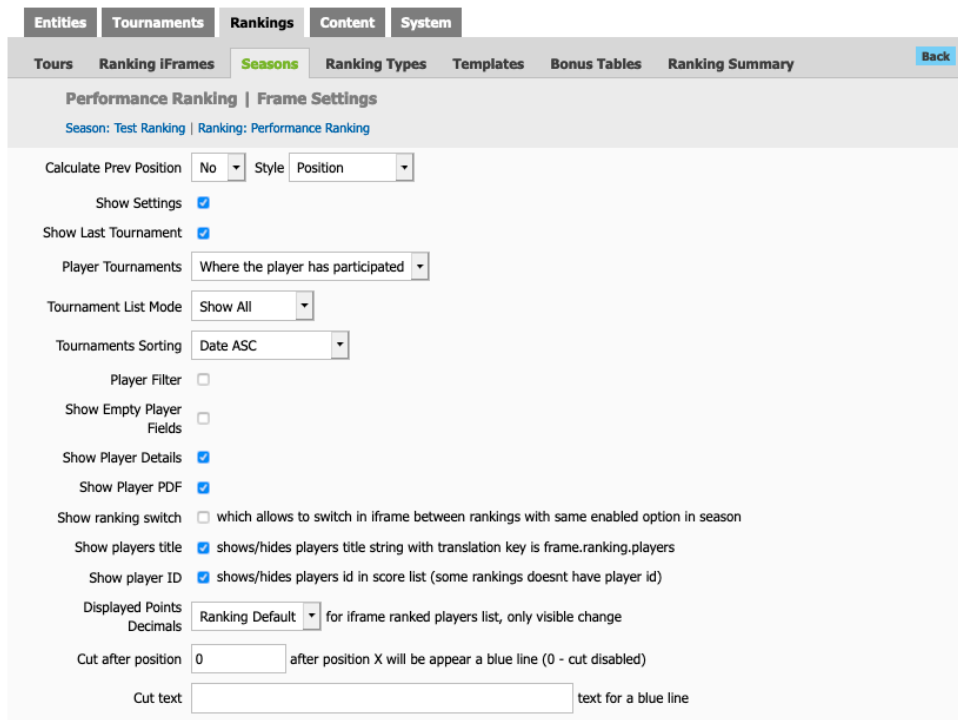

Figure 7

1. **Calculate Prev Position:** This is if you want the 'Previous position' column to show

2. **Show Settings:** This displays the settings at the top of the Iframe

3. Show Last Tournament: Shows the last tournament added to the rankings.

Latest tournament added: [NOMADS Inland NOoM 1](#)

4. Player Tournaments: For the players' profile you can select if you want all the tournaments displayed or only the tournaments the player participated in.

5. Tournament List Mode: This allows all tournaments to be shown that are on the Ranking or alternatively the tournaments will only be displayed once they take place.

6. Tournament Sorting: This is the order in which you want your tournaments sorted

7. Player Filter: This provides a filter function to search for players

A search filter form with three input fields labeled 'Name', 'Union', and 'DOB'. Below the 'DOB' field is a dropdown arrow. To the right of the fields are two buttons: 'Search Player' and 'Clear'.

8. Show Empty Player Fields: This will display fields on the players profile that are empty.

9. Show Player Details: This puts an "Expand" button at the top of the page which gives an overview of each players Tournaments with their differentials.

Ranked Players ([Expand](#)) [PDF](#)

10. Show Player PDF: A PDF of the Ranking can be downloaded – see screen shot above.

11. Show Ranking Switch: If there are a number of Rankings within the season and this switch is activated on all of them, there will be a dropdown in the top righthand corner to switch between the various Rankings.

A dropdown menu with a blue header bar containing the text 'Ekurhuleni Juniors (Performance) U19 Ranking'. Below the header are three options: 'Ekurhuleni Juniors (Performance) U15 Ranking', 'Ekurhuleni Juniors (Performance) U17 Ranking', and 'Ekurhuleni Juniors (Performance) U19 Ranking'. The last option is selected and highlighted in blue with a checkmark on the left.

12. Show players title: If the players Title is in his profile this will be displayed.

A player profile header showing a blue back arrow and the name 'Cole Stevens'. Below this is a form field for 'Title' with the value 'Mr' entered.

13. Show Player ID: Points based Rankings display the Player ID.

14. Displayed Points Decimals: When creating a Points Tables the number of Decimal points to be calculated can be selected. This setting selects the number of decimal points to be displayed.

A form with two input fields. The first field contains the number '63,8000' and the second field contains the number '52,4694'.

15. Cut after position: A cut line can be shown on the Ranking.

16. Cut text: Text can be entered into the cut line.

| | | | | | |
|------------------------------|-----------------------|---------------------------|------|-------|---|
| 8 | Luke Cobill | Umdoni Park Golf Club | 2002 | -0.46 | 3 |
| Qualifies for Team Selection | | | | | |
| 9 | Francois van Rensburg | Zebula Country Club & Spa | 2002 | -0.26 | 3 |

17. Player Fields: Player field that you want to have displayed can be selected from the list.

The other settings such as language, style and colour scheme can all be changed to suit the nature of the ranking.

Once complete, click "Update" at the bottom of the page.

Figure 8 and Figure 9 display which features each parameter change makes.
